# THE CLOVER

The new year has started out great! Congratulations to all the exhibitors and their animals for making the Reeves County Stock Show a success. The results are listed below. I would like to ask anyone that takes pictures at any 4-H event to share them with us, to be used in newsletters, flyers, etc. They can be sent to reeves@ag.tamu.edu or brought by the office.

Good Luck to everyone going to San Antonio and San Angelo! Please be careful traveling and stay safe.

# Robin's 4-H Corner

Wow! What a great way to end the year! We had 31 volunteers on hand for Meals on Wheels Wednesday, December 23. We hope to make this an annual event since every one had such a great time doing it.

Any one interested in participating in shooting sports, please contact me. We have begun some informal practices. It is a MUST that each child be accompanied by an adult, bring protective eye wear and ear plugs. First and foremost, your child will learn about the safety and respect required when handling a firearm. It has been great fun for the few that have given this a trial run. I would love to see this event grow to the level of competing. There are several volunteers prepared to get certified but we need to know it is going to be worth their time. Give me a call 448-7628.

Please make every effort to make sure your child attends the monthly meetings. There will be incentives through out the year for attendance and participation in 4-H events. Hope to see you there!

The next scheduled 4-H Club Meeting is Sunday, February 28th , 3 PM at the Odessa College. Let's keep this club going by everyone showing up and supporting 4-H. Invite a friend, someone who might be interested in what 4-H can offer, it's not all animals and stock shows, there's so much more! Hope to see everyone there!

The next scheduled Adult Leaders Meeting is February 4th, 6 PM at the Extension office. Everyone please try to attend.
