# The Clover

Hope everyone had a wonderful Christmas and will have an even better New Year!

The participation with the Showmanship clinic

turned out really well considering it was cold and muddy at the 4-H pens.

The kids picked up some really good pointers from the presenters on showing and prepping their animals and what most judges look for. The clinic was followed by the 4-H Club meeting and lunch.

The new curtains at the swine barn have all

been installed. Anyone using them please roll the curtain up slowly and make sure it is even on the pipe at the handle.

The Shooting Sports barn will be locked from now on, after an incident of someone shooting a very high caliber gun in there. You will need to contact Logan before practicing in the Shooting barn.

We had a great turn out for the Meals on Wheels Community Service that the kids had decided on doing. Hilda Mendoza explained how the Meals on Wheels helps the community by bringing food to the elderly or disabled. Thanks to all the parents who participated by taking the kids on the routes. We finished the day with the Christmas party at the Odessa College.
